About the course

The SSTUWA, in partnership with TLN in Melbourne, are pleased to offer this online learning opportunity. The classroom is a dynamic environment that can range in volume. Creating a calm environment can help ensure that students are able to interact positively and stay focussed on the learning task at hand. In this session the presenter will explore how to use students' strengths to drive learning and engagement and how to work while creating a calm and supportive learning environment. Creating a calm environment enables the teacher to provide a supportive and inclusive environment for all children in the classroom.

About the hosts

Teacher Learning Network (TLN)

TLN is a Melbourne based, not-for-profit professional development provider supported by the Australian Education Union Victoria Branch and the Independent Education Union Victoria/Tasmania Branch. SSTUWA will be your major source of communication before the online event. Prior to the live event, SSTUWA will email you detailed instructions about how to access the online training space. TLN will then provide immediate telephone support just before the event begins on the day, and during the training if required.
