Using Interactive Whiteboards: A Basic Introduction

About the course

Back by popular demand, the SSTUWA welcomes Natalie Blewitt to provide a highly practical day around the use and benefits of using interactive whiteboards to enhance learning in the classroom.

SSTUWA members who are new to using interactive whiteboards (specifically Smart Boards) are invited to participate in a hands-on workshop to develop an understanding of interactive whiteboard technology and its application in primary and secondary contexts.

Participants will leave the workshop with a greater understanding of how to integrate the interactive whiteboard in meaningful ways to engage learners in both primary and secondary contexts.

Places are limited on this course. Register today.
