When There is a Behaviour Crisis in the Classroom - LIVE 60 mins via ZOOM

About the course

The SSTUWA, in partnership with TLN in Melbourne, are pleased to offer this online learning opportunity. In this session the presenter will explore techniques to manage a moment of challenging behaviour using calm and assertive dialogue rather than reactive and aggressive responses. It is important to understand the foundations of these techniques, so the presenter will also outline the principles behind developing classrooms built on healthy relationships that minimise challenging behaviours. No teacher looks for a crisis but the best are prepared with strategies if it happens.
