## What Teachers Need to Know and Do Online LIVE via ZOOM (5-Hour Event)

### About the course

The SSTUWA, in partnership with TLN in Melbourne, are pleased to offer this online learning opportunity.

A core responsibility for all teachers is to create an environment in which all students can learn and thrive. Schools place great responsibility and trust in teachers in middle leadership positions. Teachers in these leadership roles often need to work with colleagues to build skills and knowledge, model effective teaching practices and be available to respond when things do not go right. In this session, Australia's leading classroom management specialist, David Vinegrad, will take you through his 'seven steps to success'.

At the end of this session you will have a clear plan of how you are going to work with your colleagues to build knowledge and skills about being an effective classroom teacher.
