# Mentoring Pre-Service Teachers

## About the course

The SSTUWA, in partnership with TLN in Melbourne, are pleased to offer this online learning opportunity for experienced teachers.

Working with pre-service teachers is a rewarding experience. The first questions they ask will usually relate to your teaching philosophy and pedagogical approach. This course will help you articulate your philosophy and pedagogy in a way that will support pre-service teachers.

This session will also identify effective mentoring strategies, communication skills and explore how goal setting and feedback can lead to a positive experience for the pre-service teacher and yourself.
