

# Instructional Intelligence Information Session

**SSTUWA**  
The State School Teachers' Union of W.A. (Inc.)

Find out more about training a team of Instructional Intelligence Facilitators for your school

**Wednesday 12 June 2019**

**9.30 – 11.30am**

Commencing September 2019, the SSTUWA is proud to offer another opportunity for schools to train a team of at least two Instructional Intelligence Facilitators. Over 270 educators from 70 different schools have previously participated in the 10 day course and are reaping the benefits of having an onsite team of Facilitators to share professional learning and ongoing support with other teachers.

The 'train the trainer' event will be spaced over two years and will be presented by **Professor Barrie Bennett** from Canada. 60 hours of professional learning will be provided and will centre on what **instructionally intelligent teachers** do to support learning in classrooms.

A range of interrelated topics that support effective teaching and learning will be covered over the 60 hours. The topics will be introduced as a gradual shift from the least complex (not necessarily least important) to the most complex and powerful. Each area is designed to help facilitate the idea of the teacher as a reflective, analytical, creative practitioner.

- Instructional Concepts.
- Instructional Skills.
- Instructional Tactics.
- Lesson Design.
- Effective Group Work.
- Instructional Strategies.
- Concept Attainment.
- Concept Formation.
- Picture Word Inductive Model.
- Graphic Organisers.
- Socratic Dialogue.

Facilitators will experience a multi-layered course that will focus on:

- Implementing the new learning in their classrooms.
- Learning how to share information with other teachers.
- How to plan for the provision of ongoing support to others.

Join the SSTUWA Team, Barrie Bennett, and Facilitators from the previous project, to learn more about how to become involved.

This **information session** will provide an overview of the upcoming project, the commitment required from a school wishing to be involved, and how the SSTUWA will support the ongoing implementation. You will preview the materials that will be provided to facilitators and understand the scope of the content to be covered.

Hear from a leader and facilitator and the impact on their school.

## Nominated Audience

Principal or Leader + one other staff member from each school

## Venue

SSTUWA Building  
1 West Street  
West Perth

## Cost

No Charge

## Refreshments

Refreshments on arrival
