Classroom Management - Dealing with Distracting Classroom Behaviours

About the course

The SSTUWA, in partnership with TLN in Melbourne, are pleased to offer this online learning opportunity for secondary and TAFE educators.

This session is designed to support teachers to strengthen their classroom management skills. The focus is on setting clear expectations and creating effective teacher-student relationships. Despite a teacher's best intentions students often choose behaviours that make the classroom unsettled and reduce the time focused on learning. This session will focus on a toolkit of things to think, say and do to address these behaviours firmly and fairly, so that relationships are maintained, and expectations reinforced.
