

Professional

Using Emotional Intelligence to Build Influence & Resilience for Teachers

About the course

This half day workshop will extend participants' understanding of emotional intelligence and its application to and implications for: 1) workplace leadership and influence, 2) working collaboratively with colleagues, and 3) building collaborative team functions.

Within this context, participants will also explore the development of constructive strategies to increase their personal resources and resilience through the exploration of:

- Factors underlying resilience.
- Handling the stress and uncertainty of changes in the work environment.
- Strategies for personal well-being.
