# Setting Routines for Primary Classrooms - LIVE 60 mins

Teacher Learning Network

## About the course

The SSTUWA, in partnership with TLN in Melbourne, are pleased to offer this online learning opportunity. Classroom and behaviour management are complex challenges - rarely does a school day unfold the way it was planned. This session will look at classroom and school routines and their role in creating positive, safe and inclusive learning environments and minimising off-task behaviours. Despite disruptions routines can encourage calm and safe learning environments. The presenter will focus on the importance of relationships and encouraging students to take appropriate responsibility for what is happening both in the management of the class and in their own learning.
