Setting Routines for Secondary Classrooms - LIVE 60 mins

About the course

The SSTUWA, in partnership with TLN in Melbourne, are pleased to offer this online learning opportunity. Despite our best intentions students can often choose behaviours that have a negative impact on the classroom environment and those within it. As such educators need a tool kit of things to think, say and do to address these behaviours firmly and fairly, so that relationships are maintained, and expectations reinforced. This session will support teachers in their approach to classroom management including practical tools to create healthy expectations, establish productive learning relationships and focus on the teacher's role in achieving this
