Introduction to Leadership FOR NEW AND ASPIRING LEADERS (Three-Hour Event)

About the course

The SSTUWA, in partnership with TLN in Melbourne, are pleased to offer this online learning opportunity. There are many pathways to progress in teaching and while each comes with unique expectations there are some common factors to these leadership roles.

This program is designed for teachers who are aspiring to or have just been appointed to their first leadership role. The program will cover the skills required when moving into a formal leadership position in a school. The presenter will cover the transition from teacher to a formal leadership role, ideas for building a team culture, and setting goals for yourself and the team you are leading.

If you are in a newly appointed leadership role, join Roland bright and early to build your skills, knowledge and confidence.
