GROH Petition to Ministers

As part of our GROH campaign, we are asking members to sign a petition to be presented to the WA Government Ministers for Education and Housing.

The SSTUWA is calling on the state government to:

- Commit to a full review of the mechanism for GROH Rent Fixing,
- Direct DoE to suspend all GROH rent increases pending the outcome of this review and;
- Guarantee GROH will not be privatised, reduced or removed.

Printed hard copy petitions (available here) can be scanned and emailed to editor@sstuwa.org.au or posted to SSTUWA, PO Box 6140 East Perth, WA, 6892. Completed petitions are required back with the union by 31 October.
