Esperance occupational safety and health network forum

Date: 26 August 2015
Venue: Esperance Senior High School

The SSTUWA OSH Organiser is seeking expressions of interest from members, OSH representatives, school leaders and other interested school employees to attend a forum to discuss safety and health matters.

It is intended to provide support and expertise to schools and TAFE in a district that may not ordinarily have access to such information.

Topics will include but not be limited to:

- Safety representatives – role and rights
- Resolving safety issues and PINs
- Reporting and recording incidents
- Violence, bullying and stress

This forum will not proceed if there is insufficient interest.

Please e-mail: jbarrett@sstuwa.org.au by Tuesday 4 August if you wish to attend.
