NATSIPA and Te Akatea Maori Principals conference

Our enthusiastic team of organisers have put together a wonderful pre-conference programme and conference programme to make the most of this opportunity we have together. During your time with us, you will be hosted NATSIPA.

For our Te Akatea Brothers and Sisters, we hope you are able to extend your stay beyond the Conference to enjoy more of our beautiful State and country.

Click here for information on what the two optional Pre-Conference programs include, the actual Conference itself and the price per delegate.

If you are bringing a partner with you (a Non Delegate), they will be able to register for any of the Pre-Conference Programs and/or attend the Conference Dinner. These options are available on the Register Page in the Non Delegate section.
