UnionsWA International Women's Day Rally

To mark International Women's Day, UnionsWA is holding a rally on Friday 6 of March from 5:15pm. Please RSVP with your details below.

We're coming together in support of the many battles that women are facing in the workplace - closing the gender pay gap, ending discrimination and improving basic workplace entitlements such as paid domestic violence leave. Everyone is welcome. Bring along your own posters, union flags, signs and badges!
