## Safety Advice

Comes from the main area on the page

<https://www.sstuwa.org.au/member-groups/osh/app-safety-advice>

## News

All pages that are created as a page type news (most recent first )

<https://www.sstuwa.org.au/news-home-1>

**NOTE:** all pages that are created in composer using page Type 'News' will be on the app. eNews does not need to be copied into the "News" section of the sitemap; it can be placed under 'eNews' in the sitemap and it will still appear on the app. The content for the app is driven by the page type, not the position in the site map as per other content on the app.
