

2025 school planner

SSTUWA
State School Teachers' Union of WA

The 2025 wall planner was distributed to members with the print version of the November 2024 edition of *Western Teacher*.

Digital edition subscribers: Order your wall planner via the form below.

All orders previously made have been sent, and new orders are posted daily via AusPost. Please allow time for the planner to arrive before reordering. If you ordered a planner in November or December and have not received it by 10 January, please [get in touch](#).

E-planner: The digital version of the planner is available for download here:

Order your planner here:

You must be [logged into the website](#) to submit your order.
