## Executive directives - advice to members

Executive directives in relation to 2021 EBA Negotiations that were issued by the SSTUWA on 9 December 2021 will, as things stand, come into effect on 31 January 2022.

The directives are:

**Start date: 31 January 2022**

- No member is to participate in any performance management or performance review processes/meetings. This includes the Principal Professional Review process (PPR).

  (This refers to performance management only, it does not include sub-standard performance processes.)

- Members are not to attend any (whole or part of) staff meetings held:
  - In accordance with clause 9.3 of the General Agreement 2019 (ie the five hours per term).
  - Outside instructional hours (before/after school; during lunch or recess; for school leaders this includes regional, cluster and network meetings).
  - During DOTT time.

  This does NOT include meetings called to manage the Education Health Order (Webex, Teams, etc).

- School leaders are not to complete the School Resourcing System (SRS) monthly budget check.

If you are a member at a workplace with a formed branch, your union representative will be in touch regarding a meetingto discuss implementation of these directives. It is essential that all members attend these meetings and apply the Executive directives.

If you are a member at a workplace with no delegates, please email campaigns@sstuwa.org.au for assistance.
