Resources for remote teaching

Thank you to all members who completed our survey on COVID related curriculum delivery. The SSTUWA encourages teachers and school to use the resources from the Department of Education when planning for remote teaching in the event of students having to isolate for seven days (which will only be 5 school days).

These include:

Connected Learning Hub – which includes printable packages

Shaping the Future - Learning from Home

which includes:

Learning Resources from across the nation

This includes already established learning plans from NSW, Victoria and Qld Education Departments

and

Learning Resources by Year Level

Education and Training

Online Learning Events for New or Aspiring Leaders (K-TAFE)

A series of 3-hour online Zoom events are on offer throughout the holiday periods in 2022. Each event is designed for teachers who are aspiring to or have just been appointed to their first leadership role.

This includes substantive or acting Head of Learning Areas (HoLA), Level 3 Classroom Teachers, Year Level Coordinators, Subject Coordinators or Deputies.

The sessions will cover the skills required when moving into a formal leadership position in a school or college. Choose one session or join us for all four events over the year.

- Introduction to Education Leadership, Thursday 14 April 8-11am: Click here
- Leadership - Building a Team Focused on High Quality Instructional Practices, Thursday 14 April 11.30am-2.30pm: Click here
- Leadership - Psychological Safety for Challenging Conversations, Tuesday 5 July 8am-11am: Click here
- Leadership - From Teacher to Principal, Monday 26 September 8am-11am: Click here
