Dear TAFE Colleague
I write to seek your support in the current election for Senior officers and Executive of the AEU/SSTUWA. Ballots will arrive from 16th November at your home address and must be returned by 7th December.
Mary Franklyn is currently the AEU/SSTUWA General Secretary and has held their position for 7 years. I am a lecturer at SW college of TAFE and a member of the AEU/SSTUWA Executive Committee and the bargaining team which recently secured a new agreement for TAFE lecturers.
Our work ensures that we are both up to date with the current issues concerning TAFE.
TAFE is a vital public education institution which is critically important to Western Australian industry and the broader community. The job we do as TAFE lecturers ensures the provision of skills and training for thousands of workers across the state.
We have always understood TAFE to be about providing technical training, further education, second chance education, re-training options for those re-entering the workforce, education pathways for migrants and English as a second language, as well as for students seeking alternative year 11/12 school programs.
This view of TAFE has been under severe attack through funding cuts as state and federal governments attempt to abrogate their responsibilities for the provision of a quality TAFE system, despite the demands for increased industry skills.
Our union must continue to drive the broader TAFE funding campaign to stop further erosion of state and federal funding.
TAFE members need a senior officer team with a General Secretary who will provide leadership and support to:
build union membership through a properly resourced TAFE recruitment plan
build union strength through campus level collective actions
campaign statewide on the key TAFE issues in all TAFE colleges:
workload
accountability, IT and auditing requirements
management of behaviour and practices which breach WHS legislation
increased organisational bullying as compliance requirements become stricter
We are seeking your support in the forthcoming elections for AEU/SSTUWA Senior Officers and Executive. Please take the time to vote and ensure that Mary Franklyn and Jon Lau are able to continue their work in a united team.
Jon Lau
Jon Lau, SW TAFE
AEU/SSTUWA Executive Committee member,
SSTUWA TAFE Committee member.
