

Spread the word - Review session resources

The review panel is seeking to ensure all voices are heard, including those of leaders, teachers and education staff, parents and members of the wider community.

Please consider sharing information about the review with school staff, P&Cs, parents, school boards and wider networks.

We have prepared some sample materials that you're welcome to share, including:

- Email/e-newsletter text
- Social media text
- Social media graphics
- Poster

Email/e-newsletter text sample

Review of Public Education – Have your say

The State School Teachers' Union of WA has commissioned an independent review of public education in WA, chaired by Dr Carmen Lawrence, and want to hear from you. Public consultation sessions are underway and submissions to the review are welcomed.

Dr Lawrence and members of the review panel are travelling across WA to hear from educators, parents and community leaders. Find the full list of consultation sessions and links for registration at sstuwa.org.au/review

Information about how to make a written submission can also be found at sstuwa.org.au/review
