SSTUWA for Yes Sticker Day

21 September

On Thursday 21 September we are asking members to participate in the SSTUWA for Yes Sticker Day to build awareness of the Unions for Yes campaign, to support recognition of Aboriginal and Torres Strait Islander peoples in the Constitution through a Voice.

With this issue of Western Teacher members have received a sheet of stickers. Please share these stickers on 21 September; wear them and encourage your colleagues to do the same.

Have conversations with your colleagues about why it is important to vote yes in the upcoming referendum.

Consider hosting a morning tea or lunch for your branch – union reps are urged to head to our website for more information on using your branch operating funds to cater the Sticker Day event: **bit.ly/3rZsiBe**

Show your solidarity with a sticker. Take group photos of members on the day, post them on social media with #SSTUWA and #Yes23, and email them to us at **editor@sstuwa.org.au**

"We ask our members within the SSTUWA to walk with us and that as educators, we are informed and accept the invitation that is at the heart of the Uluru Statement that specifically calls for a voice enshrined in the Australian Constitution."
- SSTUWA Aboriginal and Torres Strait Islander Education Committee.

SSTUWA FOR YES

Wear a sticker and encourage your colleagues to do the same!
