Getting Organised

Building the branch

The Getting Organised 2024 pack will assist and support you to organise the SSTUWA school/college branch at your worksite and nominate for State Council Conference and union committees.

The elections covered are:

- Branch office bearers
- State Council Conference
- Union committees
- Health and safety reps

Find information, election notices, nomination forms and more in the eNews sent to all members on 19 January or at sstuwa.org.au/GO24

In line with the union's sustainability goals the SSTUWA has made Getting Organised a predominantly online publication this year. One printed copy has been sent to each worksite, to the attention of the SSTUWA representative.

Western Teacher volume 53.1 February 2024
