Cool.org

As a first year teacher, it’s important that you have the right tools and support in place. That’s why we’re proud to offer you a free annual subscription to access Cool.org’s entire catalogue of teaching resources, including their premium Cool+ resources (normally valued at $144).

Your free Cool+ subscription will give you:

- Unlimited access to 100s of professional learning courses that tackle the tough stuff, from student behaviour to managing your own workload and stress management
- 1,000s of downloadable and editable curriculum-aligned lesson plans, factsheets and presentations
- Guaranteed new Cool+ resources released each month

To claim your free subscription, click the button below and follow the sign-up process. It’s completely free, with no obligations or strings attached. This benefit is available to first year teachers only.

Cool.org (formerly Cool Australia) has been creating educational resources for Aussie teachers for over 13 years. Their mission is to help educators be the best they can be. Their resources are mapped to the Australian Curriculum, while also being mapped to the three pillars of sustainability: social, environmental and economic.
