General Agreement 2023 (Schools)

The *General Agreement 2023* and *Teachers Award 1993* (updated 2023) have been registered by the WA Industrial Relations Commission and outline your rights and entitlements as a public school educator in Western Australia. A number of matters have also been covered by way of an exchange of letters between the parties.

The Agreement, Award, exchange of letters and more can be found in the Red Book: download the PDF at the button below or view it in your browser as an e-book.

The Know Your Rights sheets are in the process of being updated. If you have queries about the Agreement, Award or exchange of letters, speak with your union rep and contact Member Assist.
